Department of Mathematical Sciences

Undergraduate Prerequisite course exception form – STUDENT SECTION

Student Name _____ B# _____

Email _____Major_____ Track _____

Course information you want to take:

Term (e.g. Fall 2023) _____ Registration time ticket Date_____ Time (am/pm) _____

Course Name _____ Course number (e.g. Math 447) _____

CRN_____ Section _____ Instructor _____

Prerequisite course taken (or to be taken) and grade received:

Course taken at _____ Term taken (e.g. Fall 2023) _____

Course Name _____ Course number (e.g. Math 447) _____

Grade received _____(attach screen shot of final grade or unofficial transcript as proof of grade)

Prerequisite course taken (or to be taken) and grade received:

Course taken at _____ Term taken (e.g. Fall 2023) _____

Course Name _____ Course number (e.g. Math 447) _____

Grade received _____(attach screen shot of final grade or unofficial transcript as proof of grade)

Prerequisite course taken (or to be taken) and grade received:

Course taken at _____ Term taken (e.g. Fall 2023) _____

Course Name _____ Course number (e.g. Math 447) _____

Grade received _____(attach screen shot of final grade or unofficial transcript as proof of grade)

If you plan to take the prerequisite course during upcoming summer/winter term, indicate in prerequisite course section above noting the term and leave unknown information blank.

CONDITIONAL APPROVAL NOTE: You must provide evidence of the satisfied prerequisite before the next semester begins. Email mathoffice@binghamton.edu with original conditionally-approved form and proof of grade.

What other relevant courses are you currently taking, or have taken? Provide grade received. If there are more than three prerequisite courses, use this area to provide additional course details.

_____

_____

_____

Return completed and saved form with required attachment(s) to gfu@math.binghamton.edu.

Department of Mathematical Sciences

Approval:

☐ Approve: Add student to course

☐ Conditional approval: Add student to course conditionally. Reconfirm prerequisite at beginning of next semester after receiving proof of grade from student.

Deny:

☐ Student is denied request. Reason for denial: _____

Undergraduate Director: Email student and mathoffice@binghamton.edu with completed form.
