Class Meets: Mon, Fri 8:30–9:30 Tues, Thurs 10:05–11:30

My website: <http://www2.math.binghamton.edu/p/people/mckenzie/start>

Homework will be posted here, as well as other items, including videos and solution sets.

Course website: <http://www.math.binghamton.edu/math108/>

Text: *Math 108 Course Pack, Fall 2016 edition* (This text is available in bookstore; published by the dept. for a nominal \$55.)

Grading: Grades will be determined from exams (60% for in-class exams, 10% instructor's discretionary grade based on your quizzes, homework prep, attendance, and participation (see "Phones" and "Attendance" below).

Phones: Turn them off when class starts. Any texting or otherwise WILL AFFECT your discretionary grade.

Attendance: The discretionary 10% rests HEAVILY on your attendance and participation. I consider lateness and texting in class and lateness tantamount to poor attendance

Dates of in-class exams: Sept 13, Oct 11, Nov 1, Dec 1 (the final exam date is not yet determined)

Calculators and Other Electronic Devices: Calculators will not be allowed during any quiz or test. They may be useful for some homework assignments. Students may not access any electronic device during a quiz or test. Doing so will be considered cheating regardless of the actual action or intent.

Math Help: Math Help Rooms are on the second floor of Whitney Hall at the end of the hall from where my office (Room 224) is. Tutor/course schedules are posted on the doors of these rooms. For a general summary of times, see <http://www2.math.binghamton.edu/p/helprooms/start>.

Other tutoring is available through the [Discovery Center](#). Its web page has information on setting up appointments via Tutor Trak.
