Text: *Math 220 Course Pack, Spring 2017 edition* (older editions also acceptable)

Grading: Grades will be determined from exams (60% for in-class exams, 30% for the final, and 10% instructor's discretionary grade based on your quizzes, homework prep, attendance, and participation (see "Phones" and "Attendance" below).

Phones: Turn them off when class starts. Any texting or otherwise will affect your discretionary grade.

Attendance: The discretionary 10% rests *heavily* on your attendance and participation. Lateness and texting in class are tantamount to an absence.

Dates of in-class exams: Wednesday, February 8; Wednesday, March 1; Wednesday, April 5; Friday, May 5.

Calculators and Other Electronic Devices: Calculators will not be allowed during any quiz or test. They may be useful for some homework assignments. Students may not access any electronic device during a quiz or test. Doing so will be considered cheating regardless of the actual action or intent.

Math Help: Math Help Rooms are on the second floor of Whitney Hall at the end of the hall from where my office (Room 224) is. Tutor/course schedules are posted on the doors of these rooms. For a general summary of times, see http://www2.math.binghamton.edu/p/helprooms/start.

Other tutoring is available through <u>Campus Tutoring Services</u>
