

Actuarial Science Program

Binghamton University offers two degrees related to actuarial career: BA in Actuarial Science and BS in Actuarial Science. We offer courses covering five actuarial exams: P, FM, LTEM, SRM, PA. At Binghamton University, a student can take courses that cover all three VEE requirements, including Economics, Mathematical Statistics, and Account & Finance.

Please find out more information about the actuarial program by clicking one of the links on the left-side panel.
