

## Math 223 (Introduction to Calculus) Homepage, Spring 2020

---

In order to enroll in Math 223, you *must* pass the Precalculus Screening Test (Placement Test). Click [here](#) for details.

Click [here](#) for the syllabus.

Click [here](#) for a weekly schedule of topics, videos, and tests.

Click [here](#) for the Help Room Schedules.

Click [here](#) for a sample 223 midterm exam (Fall 2015) and click [here](#) for its solutions.

Click [here](#) for a sample 223 final exam (Fall 2015) and click [here](#) for its solutions.

Click [here](#) for another sample 223 final exam (Fall 2016), and click [here](#) for its solutions.

**Note:** All videos for the course are located in WebAssign under the “Resources” tab, just click on “Stewart:: Precalculus-7e”. The specific precalc section video you are required to watch before lecture are listed in the weekly schedule. When you click on the specific precalc section in Resources there are two sets of videos offered, Kazmierczak videos and Mosley videos. You are only required to view the Kazmierczak videos.
