LOCATION:	WH 100E
SPEAKER:	llana Bookner, Enterprise Operations Research
TITLE:	SPORT program

Abstract

SPORT is a 12-week *PAID* summer internship offered by the National Security Agency (NSA) that provides U.S. Citizen graduate students the opportunity to apply their technical skills to current, real-world operations research problems at the NSA. SPORT looks for strong students in operations research, applied math, statistics, data science, and other related fields.
