

## MATH 220/4 Course Syllabus

**Lecturer:** K. McKenzie  
**Office:** Whitney Hall 224  
**Email:** [mckenzie@math.binghamton.edu](mailto:mckenzie@math.binghamton.edu)  
**Office Hours:** Tues 12:30-2:00 Wed 11:00-12:30  
**Class Meets:** Mon, Wed, Fri 1:10-2:10 EB N25  
Thurs 4:25-5:50 SW 307

**My website:** Homework will be posted here, as well as many other necessary posts  
<http://www2.math.binghamton.edu/p/people/mckenzie/start>

**Course website** <http://www.math.binghamton.edu/math220/math-220-main-page.html>

**Text:** *Math 220 Course Pack, 5th edition*

**Supplemental Materials for All Sections:**

<http://www.math.binghamton.edu/math220/supplement.html>

**Exams:** There will be *three exams* in this course given during the semester, as well as a comprehensive final. The final will count for 40% of your final grade. The best two of your three in-semester exams will each count for 25% of your grade. (The privilege of having the worst test dropped is withdrawn from students who do not take all three tests.) The remaining 10% will be based on quizzes given in class.

**Dates for the exams:** Wednesday, September 30; Wednesday, October 28; Wednesday, December 2.

We do not plan to give makeup exams except in the direst of circumstances (serious student illness or death in the immediate family). If you have an emergency, do everything you can to contact your instructor as soon as possible.

**Phones:** Phones must be turned off when class starts.

**Calculators and Other Electronic Devices:** Calculators will not be allowed during any quiz or test. They may be useful for some homework assignments. No particular type is recommended. Students may not access any electronic devices during a quiz or test. Doing so will be considered cheating regardless of the actual action or intent.

**Attendance:** You are required to attend all classes. In case of illness or other necessary absences, notify your instructor by email.

**Math Help:** Math Help Rooms are on the second floor of Whitney Hall at the end of the hall from where my office (Room 224) is. Tutor/course schedules are posted on the doors of these rooms. For general summary of times, see  
<http://www2.math.binghamton.edu/p/helprooms/start>.

Tutoring is available through the [Discovery Center](#) Check their web page for more information, including times and location.
