

Data Science Seminar

Hosted by Department of Mathematical Sciences

- Date: Tuesday, April 21, 2020
- Time: 12:00pm - 1:30pm
- Room: <https://zoom.us/j/291641954>
- Speaker: Liang Li, Yunhui Liu and Han Zhang (Binghamton University)
- Title: Capstone Project: Factors Affecting PhD Student Success.

Abstract

In the first part of this seminar, Liang Li, Yunhui Liu and Han Zhang will present their consulting work to investigate factors that affect the successful completion of PhD degree. The study was conducted using data provided by the Graduate School at Binghamton University.

In the second part of the seminar, investigators at the Graduate School will present their own study on the same problem.

All are invited to participate in and give feedback to both parts of the seminar. The seminar is scheduled for 90 minutes to allow enough time for discussion.
